Subject: Green Hills Estates Phase 1 Amendment 2

The review comments posted to Frontier are addressed as follows:

Engineering Review

1. Items addressed on plat
2. Deferral.
3. Note added.
4. Part of the purpose of this amendment is to adjust the easement to the true location of the drainage. An additional drawing has been submitted that shows the contours and the location of the drainage easement from the original plat.
5. Added to plat.

Planning Review 1:

1. Surveyor's comments addressed.
2. See note above about prior drainage easement.
