To whom it may concern:

Buhrley South Fork Ranch LLC has 9.5 shares of irrigation water from the Huntsville South Bench Canal Company. Some time ago I was designated as a legal representative of Buhrley South Fork Ranch LLC, and in that capacity, I am preparing this document to inform you that Buhrley South Fork Ranch LLC has gifted and wishes to transfer 0.5 of those shares of irrigation water to Louis E. Buhrley, Jr., to serve as his secondary water source for his application for a subdivision. My other 6 siblings who, together with me, comprise the members of the Buhrley South Fork Ranch LLC, are in complete agreement with this water share transferal. Thus, the LLC retains 9.0 shares, and Louis E. Buhrley, Jr., would have 0.5 shares.

A handwritten signature in blue ink that reads "Ronald W. Buhrley". The signature is written in a cursive style and is positioned above a horizontal line.

Ronald W. Buhrley
