

**Basis for Issuance of Access to a lot/parcel at a location other than across the front lot line**

Access to lots/parcels at a location other than across the front lot line may be approved as the primary access, subject to the following criteria:

Sec. 108-7-32. - Access to a lot/parcel at a location other than across the front lot line.

- (1) The applicant demonstrates that special or unique boundary, topographic, or other physical conditions exist which would cause an undesirable or dangerous condition to be created for property access across the front lot line.
- (2) It shall be demonstrated that appropriate and legal access exists due to historic use, court decree, or the execution of an easement, right-of-way, or other instrument capable of conveying or granting such right.

Please provide the following information to support your request for Access to a lot/parcel at a location other than across the front lot line:

- Attach proof that appropriate and legal access exists due to historic use, court decree, or the execution of an easement, right-of-way, or other instrument capable of conveying or granting such right.
- The landowner of record or authorized representative agrees to pay a proportionate amount of the costs associated with developing a street if, at any time in the future, the County deems it necessary to have the landowner replace the private right-of-way/easement with a street that would serve as a required access to additional lots. The agreement shall be in the form considered appropriate and acceptable to the office of the Weber County Recorder and shall recite and explain all matters of fact, including a lot/parcel boundary description, which are necessary to make the agreement intelligible and show its successive nature.
