**Subject:** Will Serve Flood Irrigation Water to Parcel 19-010-0053

Hi,

The District currently serves flood irrigation water to parcel 19-010-0053 at 3948 North 2975 West, Farr West, Utah. Mitch Campbell informed me that this parcel would be split into 2 lots. The District would continue to serve water to both lots as long as the when the property is sold the water is not transferred to a different parcel. Let me know if you have any other questions.

**Thanks,**
