Criteria for Access Exception:

4820 W 1600 S. Weber County  
Tax ID 15-056-0051

To Whom It May Concern:

I would like to have alternate access exemption granted to access property described in attached documents . I am planning to build 2 homes on parcel per site plan. There are not any currant plans for development of property at this location or east of the property. It is impractical that the county will deem necessary to develop a public road to this lot.

Perc test have already been completed for property, and we are in the process of gathering information to bring utilities as necessary with the guidance of Weber County.

Sincerely,

Pat Burns
