Subject: **Dish Collocation on Existing American Tower Company Monopole**

ATC Site ID: 310320
Dish Site ID: SLSLC00133C
Site Address: 2367 N. Rulon White Blvd., Pleasant View UT 84414

To whom it may concern,

Dish Network is proposing to collocate on an existing Monopole tower located within Weber County Jurisdiction. The tower is owned and managed by American Tower Corp. and Powder River Development Services, LLC has been retained by American Tower to apply for any necessary permits for this project.

In addition to the attached Conditional Use Application, the following documents have been uploaded to your portal for review:

- Project narrative
- Construction Drawings with detailed scope of work, site plan, and elevations

There will be no increase to the existing tower height and there will be no expansion to the existing compound square footage.

Once review is complete and the permit is ready to issue or if there are any fees due, please contact me by email at beth.bindner@powderriverdev.com.

Sincerely,

Beth Bindner
