RE: The Pointe

Weber County

2380 Washington Blvd

Ogden UT, 84401

To whom it may concern:

Wolf Creek Water and Sewer Improvement District has reviewed the proposed infrastructure plan for the Pointe project, the District will approve the plan as designed by Gardner Engineering. When the infrastructure has been installed, inspected and tested, the District will send an approval letter and accept it into the District.

A handwritten signature in black ink, appearing to read "Robert Thomas".
