

NOTIFICATION OF ELIGIBLE FACILITIES REQUEST

December 14, 2021

Weber County UT
Planning Division
2380 Washington Blvd, Suite 240
Ogden, Utah 84401

RE: Commercial Plan Review and Permitting: ATC 418511 - Verizon Upgrade - 13657844
Site Address: 6061 WEST 900 SOUTH, OGDEN, UTAH 84404

The proposed project includes modifying equipment on an existing commercial cell tower. The scope of work includes:

Tower scope of work:

- Install (3) AIR6449 panel antennas with internal RRUs and (1) 12x24 hybrid cable + OVP

Ground scope of work:

- Install (1) 6630 BBU and (1) 6648 BBU inside existing equipment cabinet

There will be no change to the tower height or size of the existing compound. There will be no excavation or addition of impervious cover.

Pursuant to 47 USC § 1455 and the Rules adopted by the Federal Communications Commission, 47 C.F.R § 1.6100, the enclosed permit application qualifies as an Eligible Facilities Request. Federal law provides that a local jurisdiction has 60 days from the date that an Eligible Facilities Request is filed to approve the application. If more than 60 days elapse from the date this Eligible Facilities Request permit application is filed, and the local government does not act on this application, the application will be deemed granted under federal law.

Sincerely,

Katie Kyle
