Hello Rick:

In response to the request below, Mr. Brown's has requested service from Central Weber Sewer Improvement District for the Weber Vista subdivision. A current petition to annex the property is under consideration by the CWSID board of trustees. We anticipate a decision on December 20, 2021. This area is outside of the area that CWSID has planned to service, and so we are waiting the Board's decision before providing a will serve letter. If the board acts to annex the area of the Weber Vista Subdivision, then the District will provide the service in a similar manner to other areas serviced by the CWSID in the unincorporated portions of Weber County. A will serve letter can be provided at that time, which will specify additional details.

Thank you,
Kevin Hall
Central Weber Sewer Improvement District

Kevin,

I spoke with Rick just now, and he is aware of the situation. He told me to ask you if you would write a simple letter saying that that Central Weber would be willing to serve our property **IF** everything gets approved by the board.
