RE: Lilac Estates Improvement Plans

Mr. Lleverino,

The following is in response to your comments for the Lilac Estates Subdivision.

1. The cost estimate has been updated to include the landscaping for the project.
2. A park has recently been developed on the north side of the section line with no ROW dedication provided. We are available to discuss this further if necessary.
3. The provided redlined landscape plan is not applicable to this project, please see the landscaping plan within the civil improvement plans for this project.

Please let us know if you have any further questions.

Sincerely,

A handwritten signature in blue ink that reads 'Jeremy Draper'.
