MEASURED DATA

1 Due to the topography and the location of this subdivision all owners will accept responsibility for any storm water runoff from the road adjacent to this property until curb and gutter is installed.

2 Agriculture is the preferred use in the agriculture zones. Agriculture operations as specified in the Land Use Code for a particular zone are permitted at any time including the operation of farm machinery and no allowed agriculture use shall be subject to restrictions on the basis that it interferes with activities of future residents of this subdivision. WCO 106-1-8

These parcels are outside of and are not affected by the 750 foot or 1000 foot radius easements around the FAA tower.
