

MOUNTAIN VIEW IRRIGATION

ANGIE'S ACRES SUBDIVISION

To whom it may concern:

The 8" Secondary Waterline to supply Angie's Acres Subdivision has been accepted by Mountain View Irrigation. Full Acceptance will come when the line can be filled and confirm there is no leaks or issues that RJ Excavating will need to repair.

Thanks,

A handwritten signature in blue ink that reads "Justin Clawson". The signature is written in a cursive style with a horizontal line extending to the right across the page.
