

Emily Nicolosi
Access Application

2223 North River View Road
Huntsville, UT 84317

My husband and I own five parcels in Evergreen Park Subdivision (118-122). We are planning to build our primary home and some accessory buildings on lot 120, which is accessed from North River View Drive by lot 121. We cannot access the building site from North River View Drive on lot 120 because of slope. We are submitting this application to grant ourselves access via lot 121 to our home site on lot 120.
