NARRATIVE

1. This narrative related to the survey shown hereon is being done in compliance with UCA 17–23–17.
2. The purpose of this survey is to create an amended plat for the two lots described. Additionally, the purpose of the survey is not to identify utility locations, above or underground, any utilities which may be shown hereon are based on physical survey ties of visible utilities or from 811 Locator Services (Blue Stakes), or from documents of record. No representation as to accuracy of underground utilities or 811 Locator Services is made herein.
3. The basis of bearing is NAD83 Utah North Zone of N 00°36'13" E between the Southeast and East Quarter corners of Section 28.
4. A retracement of 4 subdivisions have been made to establish the boundaries of this amendment.
5. Gallop Bend street monuments were surveyed along with several curb nails and 2 rear lot rebar and caps. The northeast corner of Lot 1 Fosters sub was found from a previous Landmark survey. No corners of the Chip Square or Chip Square No.2 were found.
6. Gallop Bend was not rotated, however, Chip Square and Fosters Subdivisions have been rotated to coincide with the existing county monumentation.
7. Having identified these subdivision locations established the boundaries for this subdivision amendment.

NOTES:
1. An easement for the Wilson Irrigation Company works and facilities within Section 28 is recorded as E#1406858. This is a blanket easement to cover all of their works and facilities. It is not known if any such are present on this property. The surveyor nor engineer of this project do not accept any liability related to such works and facilities that may be damaged, altered, or eliminated in the performance of this project.
2. A full and complete title search on this property has not been conducted. The owner, successor(s), assign(s), and heir(s) are hereby noticed that any matters of record which are not specifically disclosed on this plat remain in full effect. The surveyor nor engineer of this project do not accept any liability related to the development of this project which may adversely affect matters of record which this property may be subject to.
3. The recording of this Amended plat in the office of the County Recorder acts as a statutory vacation, superceding, and replacement of any contrary provision shown, dedicated, or noted on or in a previously recorded plat or portion of plat of the same land as described hereon in accordance with UCA 10–9A–609 and/or UCA 17–27a–609, however, statute does not vacate, supercede, or replace any easements, encumbrances or other boundary provisions that are not shown on prior PLATS of record. Any documents creating easements or encumbrances for the properties in this subdivision are not modified or altered by this plat and remain in effect unless superceded by a separate document. All other documents of record which have an effect on the use or title of the property , if any, remain unchanged by this plat. Specifically, but not limited to, Fosters Subdivision established a 10' Drainage Easement which is being vacated by this plat in accordance with UCA 17–27a–609.
