

263'-0"

The diagram shows a rectangular parking lot layout. At the top, a horizontal dimension line is labeled '263'-0"'. On the left side, the words 'Parking' and 'Lot' are written vertically. At the bottom, an 'Entrance' is indicated with two arrows pointing into the lot. The lot is divided into 10 rows of stalls, with 20' driveways between rows. The stalls are 14'x10'. The total length of the lot is 885'.
