

Here are our pre application meeting notes from today.

Submit the following for a subdivision application on frontier:

1. Surveyed subdivision plat
2. The well permit from the health department
3. The septic feasibility from the health department
4. proof of secondary water shares
5. preliminary title report (dated within 30 days of your subdivision submittal date)
6. Submit the attached street connectivity plan
7. Pay the subdivision review fee (we didn't go over this today, the fee for 1 lot is 1,225 and it covers the county's review fees).

Let me know if you have other questions.

Thanks,

Steve Burton
