Steve,

Thank you for taking my call yesterday regarding my Conditional Use Permit for The Villages at Wolf Creek. I am just sending you a quick reminder with my e-mail address so that you can send me to your comments so I can have Marta Borchert move my status from an incomplete submittal to one that will be looked at. I know you are busy and so I really appreciate the help. By the way if you see anything else that may be out of order with my submittal will you please let me know?

Thank you so much for your help,
