Terakee Farms, a Utah Non-Profit Corporation
P.O. Box 14016
Ogden, Utah 84412

UPDATED PRESSURIZED SECONDARY WATER WILL SERVE LETTER

The letter is to notify Weber County that Terakee Farms, a Utah non-profit corporation, has been organized under the laws of the State of Utah to manage Terakee PRUD open space, agricultural parcels, private right of ways, and secondary water shares and related systems. Pursuant to Terakee Farms Corporate Bylaws Marriott-Slaterville pressurized secondary water design standards have been duly adopted.

Terakee Farms will provide pressurized secondary water services to residential lots and the agricultural parcel known as The Barn at Terakee Farms PRUD Subdivision Phase No. 1 consisting of thirty-six (36) residential lots and open space parcels.

**\$6,500.00 per residential lot must be paid to Terakee Farms prior to final approval and issuance of a Final Will Serve Letter. Additional on-site secondary water impact fees will be charged seperately.

Sincerely,

Brad A. Blanch
Founder | CEO Terakee Farms, Inc.
