REC FOR: WEBER COUNTY PLANNING

To whom it may concern,

The land with Parcel Number 15-078-0025 is currently zoned Agricultural (A-1) which allows for a variety of uses, including a single-family dwelling, when located on a "Lot of Record" as defined in Title 101 of the Weber County Land Use Code (LUC). Following historical research of the parcel (see Exhibit "B"), the subject parcel has been found to **NOT** meet any of the definitions of a "Lot of Record" as listed below and found in LUC§101-1-7:

Lot of record. A lot of record is defined as any one of the following circumstances:

- a. A parcel of real property identified as a building lot on an unrecorded subdivision plat that has been approved by Weber County and is on file in the Weber County Planning Office; or
- b. A parcel of real property identified as a building lot on a subdivision plat that has been approved by Weber County and recorded in the office of the Weber County Recorder; or
- c. A parcel or lot described in a deed, sales contract or survey that was recorded in the office of the Weber County Recorder before January 1, 1966; or
- d. A parcel or lot described in a deed, sales contract or survey that was recorded in the office of the Weber County Recorder on or before December 31, 1992, which complied with the zoning requirements in effect on the same date; or
- e. A parcel or lot that was created in its current size and configuration and contained a lawfully permitted single-family dwelling prior to December 31, 1992; or
- f. A parcel of real property that contains at least 100 acres; or
- g. A parcel/lot that does not fall within any one of the previously listed circumstances but has received a variance from the Weber County Board of Adjustment which has otherwise deemed a particular parcel/lot as a lot of record; or
- h. A reconfigured parcel or lot that met any one of (a) through (g) of this definition prior to its reconfiguration, as long as:
 1. The reconfiguration did not make the parcel or lot more nonconforming;
 2. No new lot or parcel was created; and
 3. All affected property was outside of a platted subdivision.

The Weber County Planning Division cannot issue a Land Use Permit to develop this parcel until the parcel meets one of the above described circumstances.

This letter addresses the legal status of the parcel and the findings provided are based upon the parcel's conformance with the Weber County Land Use Code as described above. The site has not been inspected to ensure that existing uses are allowed and existing structures meet required yard setbacks. These factors can affect a land owner's ability to obtain a Land Use Permit and Building Permit. There may also be additional requirements that need to be met prior to the issuance of future permits.
