Please consider this email your pre-meeting notes to submit with your buildable parcel determination application.

Discussion points:

Access from 4450 West St. Application submittal does not guarantee that the parcel in question (15-048-0047) will be deemed buildable. Also, if this parcel is not deemed buildable, it may have to go through a one-lot subdivision process in order for the applicant to submit building permits.

Tammy Aydelotte

Planner II

[Weber County Planning Division](#)
