DESIGN REVIEW Vacating Roads, Easements, and Subdivisions

Road vacation is a process governed by state law whereby Weber County considers whether to retain the public's interest in road rights of way, e.g., the right of the public to use an existing road or right of way. There may be rights and interests of private individuals and utility companies that will remain, e.g., if utilities are located in the right of way, these easements will be retained. If approved, this can result in the vacated road becoming part of the abutting owners' property. Road vacation does not necessarily remove all encumbrances from the area vacated.

A pre-application meeting is required prior to application submittal; please call (801) 399-8791 to make an appointment. Date of pre-application review meeting: _____ Time: _____

APPLICATION DEADLINE: Thirty (30) days prior to the applicable Planning Commission meeting
