FOR AN INSPECTION APPOINTMENT, CALL 24 HOURS IN ADVANCE (801) 399-8374

Before the work covered by this permit begins, the holder shall make proper provisions for protecting the public with necessary barricades, lights, and with all other appurtenances necessary to safeguard the users of such roadway, sidewalk and other facilities. It is further understood and agreed that the holder of this permit is responsible for any liability or personal injury resulting from such construction. Holder agrees to execute an Indemnity agreement running to Weber County, indemnifying the County against all claims, demands, costs, damages, attorney's fees and other expenses of kind occasioned by said construction.
