RE: Samarel Subdivision, Weber County File # UVS111822

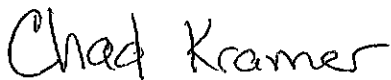

To Whom it May Concern,

We have received and reviewed the plans for the Samarel Subdivision. The development is located near 6264 E Old Snowbasin Road in Huntsville, Utah. The project includes 2 residential lots.

The plans appear to meet the requirements of the Lakeview Water and Mountain Sewer Corporations regulations and specifications and appear to conform to APWA standards.

A will serve letter was provided for the subdivision on October 26, 2022 indicating the acceptance of the 2 lots into the sewer and water districts.

Thank you.

A handwritten signature in black ink that reads "Chad Kramer". The signature is written in a cursive, slightly slanted style.

Chad Kramer
