Review questions for the Powder Mountain Yurt site:

Will you limit visitor access to ski-in only? **Visitors will walk in and cross country skiers will ski out and snowmobilers will ride sleds out**

Do you anticipate visitors will drive to the yurt? How do you plan to handle visitor parking? **Visitors will park at Timberline parking lot and ride a shuttle to the end of road to be dropped off.**

What is the plan for snow removal? **This area will be groomed by a snowcat**

Will there be any signage? **There will be signage attached to the building**
