NOT

Notice of Termination (NOT) for Storm Water Discharges Associated with Construction Activity Under the UPDES General Permit No. UTR300000.
SEE REVERSE FOR INSTRUCTIONS

Submission of this Notice of Termination constitutes notice that the operator and co-permittees identified in Section II of this form or in the NOI is/are no longer authorized to discharge storm water associated with industrial activity under the UPDES program. The operator may terminate coverage where another party assumes responsibility and continues permit coverage for the terminated area that remains unstabilized. Areas of the site that become finally stabilized should be terminated at one time when all portions of the site are stabilized and permit coverage for the project is terminated. ALL NECESSARY INFORMATION MUST BE PROVIDED ON THIS FORM.

I. Permit/Site Information

UPDES Storm Water (SW) General Permit Number: 367147

NOT for COMPLETED PROJECT: The project is finished, final stabilization is achieved on the entire site, temporary SW controls have been removed, the site is clean, and the design SW system is fully installed. Yes No

NOT for TRANSFER OF RESPONSIBILITY;

Full site transfer: Another party has assumed control of the entire site. Yes No

Partial site transfer: Another party has assumed control of a portion of the site. Yes No

Except for lots with finished homes possessed by new home owners the site cannot be NOT'ed except the conditions above for a completed project are met or another party assumes permit responsibilities. If another party has assumed control of all or a portion of the site that is being terminated please identify the responsible party.

Company/Individual Name NA
Contact person _____
Address _____
City _____ State _____
Telephone Number _____ Email address _____

For residential development where finished homes are sold to new homeowners, the operator has provided at least temporary stabilization and/or appropriate SW control measures on the lot at the time the owner possessed the home. NA

II. Facility Operator Information (the same as was entered on the NOI)

Name: Granite Construction Company Phone: 801-526-6000

Address: 1000 North Warm Springs Road

City: Salt Lake City State: UT Zip: 84116

III. Facility Site/Location Information (the same as was entered on the NOI)

Name: Dailey Property - GOAL Ogden Marathon Start

Address: 14005 East Hwy 39 County: Weber

City: Huntsville State: UT Zip: 84317

Latitude: 41.295049 Longitude: -111.623167

IV. Certification: I certify under penalty of law that either: a) the entire site is stabilized and all storm water discharges associated with construction activity from the facility identified in the NOI, where I was an operator have ceased or have been eliminated or, b) I am no longer an operator at the construction site and a new operator has assumed operational control for those portions of the construction site where I previously had operational control. I understand that by submitting this notice of termination, I am no longer authorized to discharge storm water associated with construction activity under this general permit, and that discharging pollutants in storm water associated with construction activity to waters of the State is unlawful under the State of Utah Water Quality Act where the discharge is not authorized by a UPDES permit. I also understand that the submittal of this notice of termination does not release an operator from liability for any violations of this permit or the Water Quality Act.
