RE: 5781 Elkhorn Dr.

Weber County

2380 Washington Blvd

Ogden UT, 84401

To whom it may concern:

Wolf Creek Water and Sewer Improvement District has met with the representative of this property to discuss the water line and easement. The District will allow, at the owners expense to relocate the water line and grant a new easement on said property. All work must first be approved by District, all improvements must be inspected upon installation.

Let me know if you have any questions.

A handwritten signature in black ink, appearing to read "Robert Thomas". The signature is written in a cursive style with a large initial "R".

Robert Thomas

Wolf Creek Water and Sewer Improvement District
