2. Administrative Items

2.1 R2023-05 – A Request for design review approval for the placement of a Yurt to complement winter activities at the Power Mountain Ski Resort. The yurt location is planned for the Summit Pass Road terminus. Planner: Felix Lleverino

The applicant is requesting design review approval for a yurt that will complement the powder mountain operations. The 30-foot yurt will be built upon a raised wooden deck. Winter mountain guests will have access to the structure for the purpose of various tours and winter activities. The site includes the placement of two 8'X40' storage containers that will house electric snowmobiles and electric snow bikes. The resort would also like to provide patrons with one mobile restroom trailer facility.

Electrical power will be run through a dug trench from the Village Ski Lift to the Powder Mountain Yurt.

The applicant has provided a narrative, sample photos of the yurt, mobile restroom, and storage containers in exhibit A.

The applicant was asking for a temporary restroom facility. After objections from the Health Department the applicant decided to not have the restrooms at the yurt.

Summer Day from the Health Department approves of this proposal after the applicant has agreed to remove the temporary restrooms.

Director Grover approved this item with the conditions and findings in this staff report and making sure that the Health Department issues are addressed.

The Planning Division recommends approval of the Powder Mountain Yurt located at the terminus of the Summit Pass Road. Approval of file# DR 2023-05 is subject to all review agency requirements, and the following conditions:

1. A design review amendment is necessary for all site expansions and additions.
2. The snow management is done by Mountain Operations to maintain access for ski patrol and Powder Mountain Emergency Services.
3. The proper permitting is obtained from the Weber County Building Department.
4. The yurt and associated structures shall receive Health Department approval before a land use permit is

issued. The recommendation for approval is based on the following findings:

1. The proposal complies with applicable County codes.
2. The proposed project complies with the applicable Zoning Development Agreement and approved Powder Mountain/Master Plan.
3. The proposed project conforms to the Ogden Valley General Plan.

APPROVED 8-16-2023

2.2 LVC063023: Consideration and action on a request for final subdivision approval of Babilis II Subdivision, a two lot subdivision located at 2915 E Babilis Lane, Ogden. Planner: Steve Burton

This application was accepted for review on June 30, 2023. All review agencies have either approved the project, or granted conditional approval of the project. The proposal includes the subdivision of an existing subdivision lot into two lots. The subdivision is located off an existing private drive called Babilis Lane. The proposal meets the applicable land use codes.

Staff recommends final approval of Babilis II Subdivision. This recommendation for approval is subject to all review agency requirements.

This recommendation is based on the following findings:

- 1. The proposed subdivision conforms to the General Plan.**
- 2. The proposed subdivision complies with the applicable County ordinances.**
- 3. The proposed subdivision will not be detrimental to the public health, safety, or welfare.**
- 4. The proposed subdivision will not deteriorate the environment of the general area so as to negatively impact surrounding properties and uses.**

Director Grover approved this item with the conditions and findings in this staff report.

Background and Summary

The applicant is requesting preliminary approval of Monument at Powder Mountain Subdivision. This proposal is located at approximately 8050 Summit Pass Road, Eden, UT, in the Mid-Mountain Master Plan area of the Summit Development agreement, recorded 1/14/2015. The proposed subdivision and lot configuration are in conformance with the applicable zoning (DRR-1 zone), subdivision, and development agreement requirements, and consist of multi-family (duplexes) buildings, as per the recorded development agreement. The following is a brief synopsis of the review criteria and conformance with LUC.

Analysis

General Plan: The request is in conformance with the Ogden Valley General Plan as it is intended to preserve private property rights while also preserving the rural characteristics of the Valley.

Zoning: The subject property is located in the DRR-1 zone. Single-family dwellings are a permitted use in the DRR-1 Zone.

Lot area, frontage/width and yard regulations: In the LUC § 104-2-5, the DRR-1 zone does not have a minimum lot area, nor a minimum lot width for single family dwellings.

The following are setbacks for two-family dwellings in the DRR-1 zone:

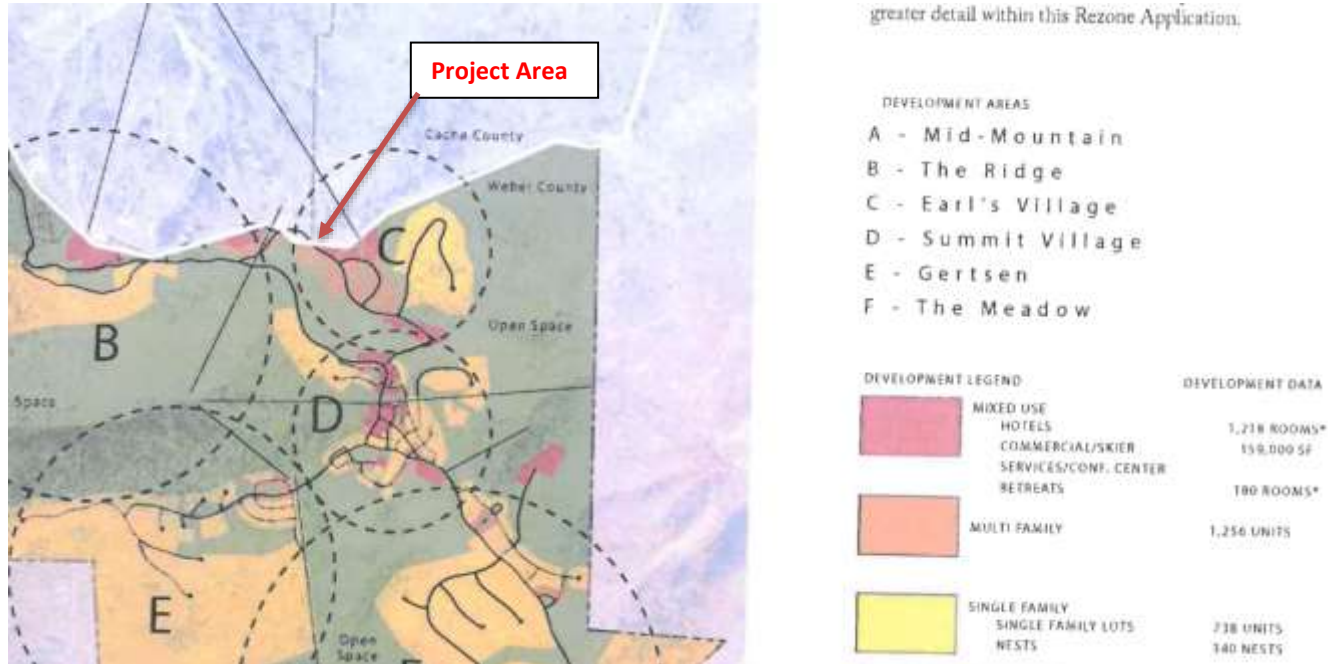

Front: 0'

Side: 5'

Rear: 10'

As part of the subdivision process, the proposal has been reviewed for compliance with the current subdivision ordinance in the LUC § 106-1, and the DRR-1 zone standards in LUC § 104-29. This proposed subdivision includes lots that range from 3,650-4712 square feet, and 46,887 square feet of open space.

This subdivision proposal is part of the Mid Mountain development area of the Summit Development agreement, and allows for multi-family dwellings only in this area.

Culinary water and sanitary sewage disposal: Powder Mountain Water & Sewer has issued a capacity assessment letter that has been submitted with this application. The letter is dated 6/14/2023 and is good for two years from the date of the letter.

Review Agencies: To date, the proposed subdivision has been reviewed by Weber Fire District. Weber County Surveying, and Weber County Engineering have not yet reviewed this application. Weber County Planning is recommending approval based upon all review agency requirements being met prior to recording the final plat. All review agency requirements must be addressed and completed prior to this subdivision being recorded.

Tax Clearance: There are no outstanding tax payments related to these parcels. The 2023 property taxes are not considered due at this time, but will become due in full on November 30, 2023.

Staff Recommendation

Staff recommends final approval of Monument at Powder Mountain Subdivision, consisting of eight lots, located at approximately 8050 Summit Pass Road, Eden, UT, 84310. This recommendation is subject to all review agency requirements and based on the following findings:

1. The proposed subdivision conforms to the recorded Development Agreement.
2. The proposed subdivision conforms to the Ogden Valley General Plan.
3. The proposed subdivision complies with applicable county ordinances.

Re: Capacity to provide culinary water and sanitary sewer services for Monument at Powder Mountain (Earl's 30 LLC development). Parcel #23-012-0189

CAPACITY ASSESSMENT LETTER

This capacity assessment letter is issued by the Powder Mountain Water and Sewer Improvement District (the "District"), in connection with a certain real estate project proposed to be developed by Earl's 30 LLC Development.

The district confirms that it has adequate capacity to provide water and sewer services to serve 30 Equivalent Residential Units ("ERUs") in connection with the Monument at Powder Mountain plat, requested by Earl's 30 LLC.

Building permits shall not be issued without final approval by the district. Final approval is subject to Earl's Village LLC meeting all applicable requirements of the district and payment of all applicable fees.

The district's commitment set forth in this letter is effective as of the date of this letter.

This Capacity Assessment Letter is only good for two years from the date of the issuance.
