RE: PRELIMINARY WILL SERVE LETTER – Navy Meadows

The Navy Meadows Subdivision is located at approximately 3300 South and 4300 West. The subdivision is in the boundaries of the Hooper Irrigation Company service area. A formal application has been made to our office and an escrow for application has been paid.

The subdivision plat plan has been reviewed by Hooper Irrigation. The preliminary plans have been conditionally approved for the above subdivision phase. The plans are still preliminary and there will be items confirmed prior to final approval of the plans, specifically piping of private ditches and considerations for the Hooper Irrigation Canal which traverses within the boundaries of the proposed subdivision. There are sufficient shares affiliated with the property to connect to the secondary pressurized system for the building lots and the shares are in good standing.

This development alone is in consideration and guaranteed service and the plan review are good only for a period of one year from the date of this letter, if not constructed. A final will serve letter will follow this letter after all plans have received final approval, fees have been paid, and water shares have been turned in to Hooper Irrigation.

Hooper Irrigation's specifications are available at the Company office.

If you have questions, please call 801-985-8429.

Sincerely,

Michelle Pinkston
