REVIEW STATUS: APPROVED

SPECIFIC COMMENTS:

1. This is an existing home and property which is being sold. As a result it needed to be subdivided. No new construction is taking place and there are no access changes. As a result, there are no requirements for fire hydrants etc.

A written response for this review is required.

Every effort has been made to provide a complete and thorough review of these plans. This review does not relieve the owner, contractor and/or developer from compliance with any and all applicable codes and standards. Any change or revision of this plan will render this review void and will require submittal of the new or revised layout for fire department review.
