RE: PRELIMINARY WILL SERVE LETTER – Smart Fields Subdivision, Phase 2

Phase One of the development is located at approximately 1700 South and 4300 West and consists of 45 lots.

Hooper Irrigation Company has pressure irrigation water available for the above project located at the above address. Hooper Irrigation will provide secondary pressurized water at the time of occupancy.

This letter states that the above project is within the boundaries of Hooper Irrigation Company. A formal application has been made to our office and the fee for application have been paid. There are an adequate number of water shares available for the development water use.

The preliminary subdivision utility plans have been reviewed by Hooper Irrigation. Hooper Irrigation is willing and able to take responsibility for the installed lines. This project alone is in consideration and guaranteed service and the plan review is good only for a period of one year from the date of this letter, if not constructed.

Hooper Irrigation's specifications are available at the company office. If you have any questions, please call the office at (801)985-8429

Sincerely,

Michelle Pinkston
Office Manager
Board Secretary
