

March 21, 2024

To Whom it May Concern,

Pat Burns, on behalf of Lync Construction (the "Developer"), has submitted an annexation request with Little Mountain Service Area (the "Sewer District") to annex parcel #100360043 which is in the Sewer Districts boundaries.

The board of Directors (the "Board") is in the process of establishing a procedure to allow annexation into the Sewer District. The Board will allow the Developer to annex the Subdivision into the Sewer District once they have established a procedure for doing so. The Board supports the rezone of the Subdivision prior to annexation. However, the Developer must be annexed into the District and pay the applicable fees before the Sewer District will allow connection and service of the sewer.

Sincerely,

A handwritten signature in black ink, appearing to read "John Price", with a stylized flourish extending to the left.

John Price
Little Mountain Service Area, Chairman
